DC-390 Yucatan® BR Semi-Sweet Chocolate Coating **Shelf-Life Statement**

Packaged chocolate, confectionery and cocoa items manufactured by ADM Cocoa have shelf-life guidelines based on changes in physical characteristics such as appearance and flavor that are typical for the category of product. Products are microbiologically stable. The guidelines are for products in their original form. This product has an expected shelf life of 24 months or longer from date of manufacture when stored under the optimum conditions of 65 – 68°F and less than 50% relative humidity and in dry, clean, sanitary areas free from pests, strong odors and exposure to direct sunlight or other intense heat sources.

ADM Cocoa can not guarantee shelf-life performance as conditions of storage upon receipt are beyond our control. Shelf life of product when used in an application must be determined by the end user.

The information provided herein is correct as of the date of this document to the best of our knowledge. Any recommendations or suggestions are made without guarantee or representation as to results and are subject to change without notice. We disclaim any and all warranties, whether express or implied, and specifically disclaim the implied warranties of merchantability, fitness for a particular purpose and non-infringement. Our responsibility for claims arising from any claim for breach of warranty, negligence or otherwise shall not include consequential, special or incidental damages, and is limited to the purchase price of the material purchased from us. None of the statements made here shall be construed as a grant, either express or implied, of any license under any patent held by ADM or other parties. Customers are responsible for obtaining any licenses or other rights that may be necessary to make, use or sell products containing ADM ingredients.
